

Instaclean

Residual body fat remover

Instaclean is a concentrated blend of specially selected detergents, emulsifiers and acids formulated to ensure the easiest possible removal of residual body fat deposits from swimming pool surrounds, steam rooms, saunas and shower areas. Regular use will maintain deposit free, hygienic surfaces using a minimum of labour without the use of harsh abrasives. The pleasant perfume will enrich the environment by overcoming mal-odours and providing a spring-like freshness.

APPLICATIONS

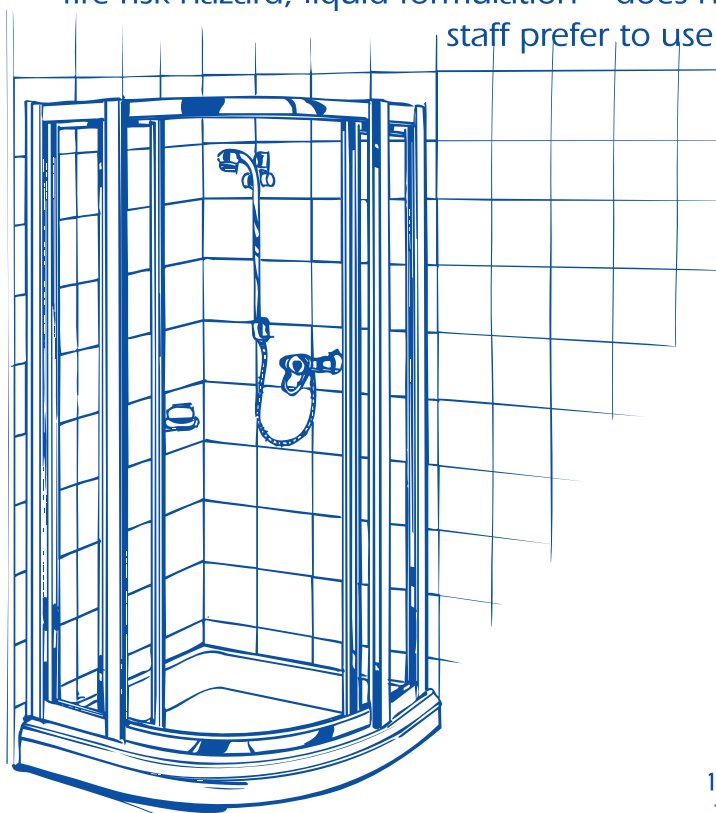

The removal of residual body fat build-up from various types of surfaces and surrounds associated with the leisure industry.

AREAS OF USE

SWIMMING POOL SURROUNDS AND SCUM CHANNELS ■ PLASTIC SHOWER SURROUNDS ■ ALUMINIUM PROFILES ■ STEAM ROOM SURFACES ■ TURKISH BATHS ■ SAUNAS ■ CERAMIC TILED SURFACES ASSOCIATED WITH SHOWER AND WASHROOM AREAS
