

No Sweat

Penetrating, releasing, lubricating and de-watering fluid

Multi-action **No Sweat** is an invaluable tool for all engineers, mechanics, electricians, plumbers, gardeners, sailors, cyclists, motorists and D.I.Y. enthusiasts. Fast acting, easy to use and very effective. **No Sweat** will loosen rusted parts, stop squeaks and free sticking mechanisms and remove moisture from damp engines and ignition systems. Cleans and protects all metal surfaces yet leaves an anti-corrosive film to inhibit rerusting.

APPLICATIONS

Releasing rusted parts, components, nuts and bolts – displacing moisture on plugs, points, terminals and control boxes – lubricating moving parts – freeing jammed mechanisms, locks, hinges, etc – preventing rust and tarnishing on exposed metal surfaces – maintaining coin slides, slots and returns – cleaning metal parts and surfaces – general purpose household, workshop and garden oil

IF IT SQUEAKS, RUSTS OR REFUSES TO START – NO SWEAT IT!
